

Developing Teaching Assistant Programme (Primary and Secondary)

Aim

This programme is for Primary and Secondary TAs/LSAs and Support Staff who are either quite early in their role, or for those who wish to develop their current practice. Following the programme they leave with clear ideas on how to enhance the teaching and learning of the pupils they support and maximise their effectiveness.

About the Programme

This highly interactive programme gives delegates the opportunity to share previous experiences, expertise and new learning with colleagues in a supportive yet challenging environment. They will feel inspired and motivated to take their learning back into school having an immediate impact with their pupils and colleagues. The following areas will be explored:

- The qualities of an effective Teaching Assistant
- Clear identification of Learning needs and how learning takes place
- Developing skills in supporting learning, creating challenge for progress
- Questioning
- Differentiation
- Coaching to enhance Learning and pupil ownership of Learning

Mentor Support

Delegates will benefit from a mentor or someone to support them in school who can help guide them through the post-session challenges which includes lesson observations and other small activities back in school.

Mentor Briefing

A 30 minute online mentor briefing will be arranged for mentors ahead of the first session this is to share the content of the programme, and how mentors can best support their TAs back in school to develop and get the most out of the programme.

How will my students benefit?

All aspects explored on the programme are immediately transferable to the classroom. Delegates will significantly increase their effectiveness when working with students and teachers. New ideas brought back into the classroom can be shared.

Previous Delegate Feedback

"I have found a whole new enthusiasm for how I approach work...I now believe in myself and how I work with my classroom teacher. I am more aware of how I encourage children to develop their learning."

"I will encourage pupils to maximize their potential and support them in making choices according to their abilities..."

"As a new TA, this has shown me the impact that both myself and the teacher can have if we work together."
