

Monitoring pupil behaviours for learning, mental health and wellbeing for governors and trustees webinar

As we understand more about the impact of the pandemic on our pupils' wellbeing, boards should ensure they are focussed on the support and culture their school provides to help pupils thrive in these challenging times.

This WEBINAR provides practical guidance on mental health and wellbeing expectations for schools, an overview of the post-lockdown issues and how boards can assure themselves of the standard of pupils' behaviours for learning and the quality of provision and support.

On this webinar the following will be explored:

- Understanding mental health and wellbeing expectations
- What is a mentally healthy school?
- What are behaviours for learning?
- How to know the issues and what support is available
- The importance of ethos, values and behaviour post lockdown
- The board's role in giving pupils a voice
- How to monitor pupil mental health and wellbeing in your school

All delegates receive an electronic copy of the presentation and supporting materials and resources to help them be more impactful in their governance role.

Who should attend?

Governors or trustees who have responsibilities for monitoring behaviour, mental health and wellbeing. This webinar is suitable for governors and trustees of all education phases.

Tutor

Rosemary Lovatt - Rosemary is an NLG and led National Leaders of Governance (NLGs) across the East of England and NE London for many years. She is currently Vice Chair of a multi academy trust. She is an experienced governance tutor, chair and trustee who has supported boards across England and has trained thousands of governors and trustees.

What people say about our training

'The best governor training I have ever attended'

'Inspiring! Thank you! I now feel confident to be a more strategic governor'

'At last, training that provides the tools, examples and checklists to help us do the job'

About our training

As experienced Chairs of Governors we strongly believe in providing training that gives you the knowledge, tools and examples to be effective governors. Our aim is to give you the confidence and tools to improve your governance as quickly and effectively as possible. All our training is provided by National Leaders of Governance who are experienced governance trainers. Our training can be provided as webinars, bespoke sessions for your board or group of schools or face to face sessions (subject to social distancing guidance).

About NLGs

National Leaders of Governance (NLGs) are experienced chairs of governing boards. All NLGs have been through a rigorous designation process from the National College of Teaching and Leadership (NCTL), a part of the Department for Education (DfE), to demonstrate that we have the skills, experience and attributes to be a National Leader of Governance. All NLGs are either actively chairing standalone schools or academies, local governing boards or multi academy trust (MAT) trust boards or have done so within the last five years. All NLGs are trained to support governors through mentoring and coaching and provide governance services which are quality assured.
