About our training

As experienced Chairs of Governors we strongly believe in providing training that gives you the knowledge, tools and examples to be effective governors. Our aim is to give you the confidence and tools to improve your governance as quickly and effectively as possible. All our training is provided by National Leaders of Governance who are experienced governance trainers. Our training can be provided as webinars, as bespoke sessions for your board or group of schools, or face to face sessions.

About NLGs

National Leaders of Governance (NLGs) are experienced chairs of governing boards. All NLGs have been through a rigorous designation process to demonstrate they have the skills, experience and attributes to be a National Leader of Governance.
