The Power of Coaching for Team, Middle and Senior Leaders (Primary & Secondary)

Aim
This programme provides Primary & Secondary School Team, Middle and Senior Leaders with the skills, strategies and techniques to bring about change using 'Coaching' as a mechanism, whether for Leadership, Teaching and Learning in the classroom, or when working with other adults across the organisation.

About the Programme
The programme provides opportunities for delegates to engage in a range of activities and understand theories underpinning effective Coaching practice. Theory and Practice is linked directly to Leadership, working with other Adults and teams and with students in the classroom.

The following areas are explored;

- Principles and Practice of Coaching
- Setting up Coaching processes, mechanisms and overcoming barriers
- Developing Coaching relationships and securing trust
- Exploring and using Coaching Models, Strategies and Questioning for Impact
- Coaching, Mentoring, Teaching and Counselling – *Which hat to wear?*

How will my school and students benefit?
Embedding a Coaching culture will promote enhanced student progress and increased attainment through a deepening of independent learning and a commitment to professional learning and development.

What previous Delegates have said...
"The programme deepened my understanding of coaching models and provided tools that support profound thinking despite their simplicity."
"I gained so much knowledge from this programme and now have so many models and information to take into my teaching"
