

# Safeguarding for governors and trustees webinar

**Safeguarding should always be at the heart of what we do in schools. Boards play an important role in ensuring this is the case and are ultimately accountable for ensuring effective safeguarding in their school(s).**

This webinar provides guidance for boards on meeting their statutory duties for safeguarding, including reflections on our experiences with COVID-19.

The following will be explored:

- What is Safeguarding?
- Who is responsible for fulfilling the statutory duties?
- Update on current guidance and legislation
- How to monitor Safeguarding
- How to develop systems to ensure you are compliant
- Why a whole school approach is so important
- What to do if there are concerns
- What has COVID-19 taught us about safeguarding?

All delegates receive an electronic copy of the presentation and supporting materials and resources to help them to be more impactful in their governance role.

## About our training

As experienced Chairs of Governors we strongly believe in providing training that gives you the knowledge, tools and examples to be effective governors. Our aim is to give you the confidence and tools to improve your governance as quickly and effectively as possible. All our training is provided by National Leaders of Governance who are experienced governance trainers. ## About NLGs

National Leaders of Governance (NLGs) are experienced chairs of governing boards. All NLGs have been through a rigorous designation process from the National College of Teaching and Leadership (NCTL), a part of the Department for Education (DfE), to demonstrate that we have the skills, experience and attributes to be a National Leader of Governance. All NLGs are either actively chairing standalone schools or academies, local governing boards or multi academy trust (MAT) trust boards or have done so within the last five years. All NLGs are trained to support governors through mentoring and coaching and provide governance services which are quality assured.
